APPOINTED CONSUL IN THE SOCIETY ISLANDS

San Francisco on August 21st for his Vessel.

flory succeeds his brother, J. Lamb Boty. He was graduated from Princethe seminary, but ill health forced his etirement, and he went as a missionary and United States Educational agent to Alaska. Last September ne essued his studies in the Theologica Semimory He is specializing in the study of comparative religion, and will continue this study at his new post,

STEYN IS VERY ILL.

Lamion. August 2.- Former Preswat Seyn of the Orange Free State perrived at Southampton today with his andly in the steamship Caristicoo Custle. He was met by Fischer, Wes ests and Besternyn, the former flordefencies. He will go to The Hague where former President Krueger will fay: Stove was too Ill to hear the pogracy to London, although a special saloon car had been attached to the regular loat train for him. His physihas would not allow him to be inte-Mewed by the press, but Stevn went word that he wished to express his thanks for the kindness extended to aim by the British authorities sizethe surrender and for the care given him during the voyage.

The former President was removed so a stretcher to the Dutch steam-Batavier III, which was moored close ter the Carlettrook Custle. He will amsted at the Hook of Holland as tage reserved for him near

LAWSON RETIRES.

New York, August 8 -- In an open stter Thomas W. Lawson retires iros the trutting turf. He believes that its rombinations were arranged to descrichances of his horses by laying the heats and that there segme no remed its right to correct what Lawson terms Me evils of the furf.

fie cites the meeting at Cleveland where many P. Leyburn was beauti because other drivers persisted in by ing up beats. Boralma, who was himed to his race against Lord Decay at Matrioid, will retire in Dreamann tares and spend his days at case and

The remainder of the stable will be sent to Dreamwold, where, as Laws a sets it. They will have the relies slover tops, the greenest blades of with plenty of curves, the time was grass and fattest, juiclest outs; with \$115. so rad of petting to season their asing and digestion."

DON'T FEAR WIRELESS.

London, August 2 - At a meeting of the Anglo-American Telegraph Comsirectors that although wireless teleg- | this port. raphy would carry a certain class of belegrums, such as those between ships or between ships and the shore. where was no reason apparent why i would compete in the class of tele grams sent by cable companies. Durbut a conversation the other day with ford Kelvin, the latter said to Mr. nevan: "I have given careful consid-) scation to this subject, and I do not betwee the shareholders of your commay need be alarmed at the prospect al windean telegraphy.
